

## Supplier Description

Medline is a preferred supplier for medical products who understands your needs firsthand. Medline's people are in every care setting across the continuum, solving tough challenges every day, including in hospitals, ambulatory surgery centers, physician offices, clinics and long-term care facilities.

## Advantages and Benefits

- Medline is the largest privately held manufacturer and distributor of medical supplies, uniquely positioned to provide products, education and support across the continuum of care
- Medline distributes and manufactures more than 550,000 products at guaranteed savings. Its vertical integration as both a manufacturer and distributor gives the company end-to-end control of both quality and cost
- Being a privately owned company enables Medline to flex as your operations grow, rapidly adapting to your needs and customizing system specific solutions
